## Let's Start Kindergarten!

We knew it was coming and Connor was so excited to start kindergarten. He is ahead of the other kids in all the subjects but is a star student helping the other kids out with their work. He couldn't wait to get on the big boy bus with David this year.

## Time for the 3rd Grade!

David Started 3rd grade and is loving his teacher. He has his best friend in his class so that helps. He is always happy to go to school in the mornings and loves the bus driver. He also loves sitting next to Connor on the bus.

## David's First Holy Communion

In May David celebrated the sacrament of First Holy Communion. It was a bitter sweet day without Papa their, but it was a great thing knowing he was watching from heaven. He also received his First reconciliation in February. It was so nice to see all the family who made the effort to come down for the event.

## A New Address!!

Over the summer time we decided it was time for a change and we moved!! After 10 years at the townhouse we knew we needed a bigger house with more space for the boys. We found a wonderful 4 bedroom 2 1/2 bathroom house, that has a great backyard and basement. A bonus was the hot tub, swing set and awesome stereo system that was set up. The other

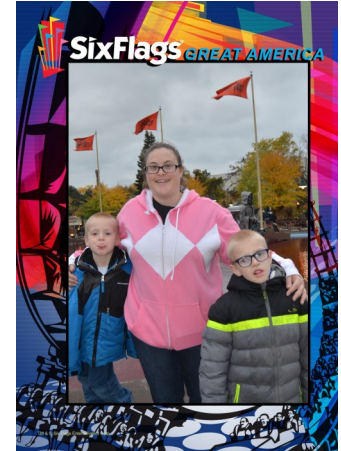

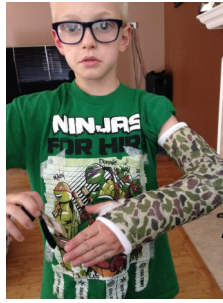

great part about the house was the boys would not have to switch schools. We are so excited to see what new adventures we have at our new house. Please note our NEW address!!

Hart Family

Round Lake IL 60073

## David's Update

David has made incredible strides this year both with academics and forming friendships. He still has a huge love for school buses and John Deere Machines. He is currently doing great in school and improving in his reading and language skills. He LOVES math and recess. He got to go to camp this summer and actually participated in many of the activities without complaining. He now has a big boy bedroom painted blue and was the top seller in Boy Scout popcorn sales again this year. That earned him a free family trip to Key Lime Cove the first weekend in December.

## Connors Update

Connor is really starting to bloom and is definitely not a baby anymore. He has become independent and is ahead in his kindergarten class. Currently he is reading at a 2nd grade level and also doing 1st grade math. His language and writing skills are also comparable to that of a 1st grader. He loves school and is also happy to be in school all day. He also got to go to summer camp and can't wait to be in the same camp as David next year.

## Family News

Mommy and Daddy have been keeping busy as well. Daddy has become the full time stay at home Dad helping with the kids while Mom goes to school and works. Currently Mom is going back for her Nursing degree and taking one class a semester. She currently works full time as a CNA at an assisted living home about 10 minutes away.
